

# THE CAMPAIGN FOR POSSIBILITIES

**Question:** *Can a person or group receive recognition tied to a specific item or room or area in the new building?*

9 All donors of \$10,000 or more will be recognized in a permanent memorial plaque to be dedicated upon the completion of the capital campaign. In addition, donations of \$25,000 or more will have opportunities to name one of several key rooms and areas of the new facility. We are happy to arrange for the most appropriate commemorative opportunity for each major donation from individuals, corporations, foundations, schools, community groups or other entities.

The need is growing. The time is now.  
We need **your help** to make it possible.
